Dear St. Boniface Parent,

My name is Jodie Dahm and I would like to take this opportunity to introduce myself as your child's new guidance counselor at St. Boniface. I have been working with your children for the past five weeks and have thoroughly enjoyed getting to know them.

I received my B.A in Psychology and Sociology from Purdue University. I worked as a case manager for Big Brothers Big Sisters of Greater Lafayette for three years after graduation. After this, I took on the position of School Based Coordinator for Big Brothers Big Sisters which I did for four years, before deciding to stay at home to raise my 3 children, who also attend the Catholic Schools. I have been involved with youth, volunteering for many years in a variety of settings.

I come to the classroom every Tuesday for a 40-minute instruction time with your child. Topics covered are: safe and sacred, bullying, peer pressure, wholistic living, digital safety, living in a safe environment, and many other topics that enhance being a "Child of God".

I am looking forward to being a support to your child anyway I can throughout this school year! I encourage you to reach out to me if you have any questions or concerns.

God Bless,

Jodie Dahm
